Description [From the company's earliest days, our cars set new standards in automotive design and engineering. They were icons of motoring. These cars took the Grand Touring rulebook and rewrote it. The beautiful R-Type Continental in the 1950s and the Continental GT at the start of the 21st century. A revolution in Grand Touring At the start of a new decade we unveiled our masterpiece, the Continental GT. A stunning coupé that blends classic Bentley DNA with contemporary design and modern technology. The perfect]

Client side validaiton for all properties where necessary (including image fields in grid). Validation should match server side validation defined in /Models/Model and /Models/ModelImage
